Knox-Lincoln SWCD

Annual Meeting & Banquet

Dear Friend of Conservation:

August, 2010

The Annual Dinner and Meeting of the Knox-Lincoln Soil and Water Conservation District is scheduled for **Thursday, November 4th** at the North Nobleboro Community Hall on Upper East Pond Road. This meeting provides an opportunity for cooperators, District officials, resource conservation specialists and others to meet and review the past year's activities, as well as to discuss current conservation thoughts and issues. It also provides a forum for the District to formally recognize those groups or individuals who have contributed in a significant way to local resource conservation efforts, either by adopting specific land practices or by promoting other activities which heighten awareness and concern for local conservation needs.

Dinner begins promptly at 6:30pm followed by brief reports from USDA/NRCS & FSA and presentation of the District's Annual Awards which will include a number of local businesses, volunteers and community members who will be honored for their significant contributions toward conservation and natural resource enhancement in Knox and Lincoln Counties. The Teacher of the Year Award will be presented in recognition and appreciation of outstanding work with students to educate them about our natural resources and help them become good stewards of the environment.

Join us for a celebration when we show our appreciation to those individuals who've supported the District and helped to maintain our local conservation programs. Together we're confident to remain a strong source of information and assistance to natural resource conservation challenges. All participants will receive a free door prize ticket as they enter the hall. Drawings for door prizes will be held throughout the evening. We hope you can attend and meet new and old friends! Pre-registration is required and reservations are now being accepted. The cost for the dinner is \$15 per person.

**The District's mission is to provide assistance in conservation of land and water resources
for our community through proactive efforts, actions and education.**

-----**Please detach & return**-----

Annual Meeting 11/4/10 at the North Nobleboro Community Hall - **\$15 per person**
Please return by October 31st, 2010
